

Meeting the Challenges of Technology Head On With Flexetech CYOD

Location

East of England, Hertfordshire

<https://www.freeadsz.co.uk/x-536465-z>

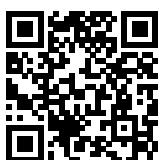

With the increasing costs of technology hardware, software and infrastructure, something to meet the challenges of technology is needed the most. But that is not the only problem because even the employees are demanding to have a higher planned device to be provided to them, and the device should be such that it adds an even greater financial pressure to an already extended IT budget. To meet these problems and be a great solution Intelligence Rewards has come up with a CYOD solution.

Flexetech CYOD – A simple benefit

Intelligence Rewards' Flexetech solution greatly reduces hardware and support costs, will deliver tremendous savings and efficiencies and provide employees with the latest technology, all at no cost to and organisation!

Need more information on the choose your own device solution of Intelligence Rewards? Log on to <http://www.intelligent-rewards.co.uk/services>
