

# FREE zija supermix and tea

- 1) I hate that I'm too energetic to take a nap in the afternoon.
- 2) I hate that our ibuprofen and other meds are so hard to find.
- 3) I hate that I'm not overly sore from a rough workout.
- 4) I hate that I have no excuses for getting on the floor and playing with the kids.
- 5) I hate that my friends think I'm obsessed with health and proper nutrition.

**10 things**  
**I hate about zija**

**it's a love-hate kind of thing**

- 6) I hate that it costs a little more than a Super-Sized Dr. Pepper.
- 7) I hate that I do not have a legitimate reason to take a sick day.
- 8) I hate that I have less and less concern about what the stock market does.
- 9) I hate that my stomach is not as flat as it used to be. It has developed some bumps.
- 10) I hate that I haven't convinced you to try it, work it, and thrive on it.
