Eczema: Insight, inform, inspire

Information and support for everyone affected by eczema. Leading specialists share their knowledge. We will be joined by Consultant Dermatologists Professor Michael Cork, Dr Tess McPherson and Dr

Donna Thompson, Clinical Psychologist Dr Helen Mortimer and a team of dermatology specialist nurses.

Our programme is attached.

We will have a number of breakout areas where those attending will be able to put questions to our team of NES Dermatology Nurses. For our younger visitors there will also be a dedicated play area from 1.00pm including soft play equipment, colouring materials and other toys and games for them to enjoy under the watchful eye of the adults who come with them (this isn't a crèche).

This event is free to attend and places will book up quickly so to secure your free tickets please download your tickets from
