Philips DVP520 DVD Player in excellent condition - hardly used.

The Philips DVD player is designed for taking movies to a higher level and delivering rich audio in your house. Drama lovers, music connoisseurs, and musical theatre devotees relish the style and capabilities of this DVD player. This Philips DVD player is a suitable solution for long movie nights and TV series marathons. Featuring ease of installation, crisp video, and durability, the Philips DVP520 is up to the task. The Philips DVP520 is a complete audiovisual solution with the ability to play high-quality images, so you can enjoy your best-loved movies in superior clarity. This DVD player is a true audiovisual companion with the ability to play CD-RW, CD, and DVD discs, so you can get caught up on the best short films and music albums on pre-recorded discs or ones made on your computer. The many playable file formats such as MP3 and JPEG enable you to enjoy a variety of music downloads and concerts in your multimedia centre. Moreover, the Philips DVP520 is a digital single-disc player, enabling you to pop in a CD or DVD for instant entertainment.
