

For Repair or Spare - 6 Berth Eldiss Vogue SE 1996 - Towable (400 GBP)

Location

South East, Middlesex

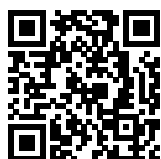

<https://www.freeadsz.co.uk/x-537612-z>

Large 6 berth single-axle caravan. Two bunk beds, a double bed format. All electrics, water, heating, toilet etc working at last use. Damp problem due to leaking front window and rear seal on top of van. The caravan had a small leak while in storage over winter, but it has caused more damage than we can sort out to the rear of the caravan, with damp floors, ceiling and rear cupboard. The van previously leaked at the front and we replaced the carpet with high-quality vinyl floor. Cushions in excellent condition. The van is towable, and maybe even usable, but would ideally suit someone who either repairs vans professionally or fancies a DIY.
