Absolutely stunning, teddy bear looking miniature Pomeranian boy. Very short nose, flat cute face, super thick fluffy coat, compacted small body, short legs. The puppy is orange cream color, and can be given a haircut as famous Boo dog later. He is very similar to him. Premium quality, pure bred, miniature Pom. He is super cute and beautiful. One of a kind, 100% genuine special teddy bear. Hard to find Boo lookalike dog. The pictures are of the actual dog for sale. Really small too. He is super friendly and cheerful. Not yappy or barking at all. Such a sweetheart. He loves to cuddle and to play. He is very obedient, very good and healthy pup overall. Available immediately. He has had all his vaccines and wormings and has been microchipped. Only serious buyers.
