Urgently needed 2 bed house or ground floor flat that excepts benefit (long term sick) and pets due to fact my landlord hasn't paid mortgage so I'm going to be homeless can you help?? Have bond n rent ready to move anywhere In or around Nuneaton Warwickshire. For the record my dog is house trained and is 3 years old never chewed a thing is his life. He's not allowed into bedrooms or up any stairs. I take good care of him he's brushed and hovered everyday as I won't live in a unclean and untidy home. Would you say no if I had a 3 year old child?? Do you know the damage one can do with a felt Tip?? My dog has no thumbs so drawing over walls isn't a problem plus he won't pee everywhere coz he's not got a nappy on..... he asks to go outside. B4 you say no to a dog in your rented home please consider details above. If anyone can help and you will except benefit please consider me. Many thanks..
