

Claud Butler Classic Model Ladies Cycle (like new) (150 GBP)

Location **North, Lancashire**
<https://www.freeadsz.co.uk/x-539563-z>

Hardly used - like new.

Used by an elderly person for shopping but cannot ride it any more.

It says "Classic" as the model on the frame but online it looks like the Windermere or Cambridge model (RRP £300).

15 inch frame size. You can find technical details online searching but looks like Shimano 21 speed.
