

French English Translation

Location South East, Surrey

https://www.freeadsz.co.uk/x-539618-z

English mother tongue, experienced translator, I offer my services for the translation of all your documents from French to English and from English to French.

Specialised in the areas of medical, scientific, technical and business document translation and translation for the film, television, and documentary industries, I have translated many pieces of work for a great number of satisfied clients.

I am a perfectionist who can guarantee the authenticity and irreproachable accuracy of any translation that I undertake.

I go deep into a piece of work to understand its real meaning and the « voice » the writer intends to portray.

Having lived and worked between France and the UK for the past twelve years, I am fully versed in the French language and can provide exceptional translations of all your written texts.

I can translate all the documents that you require including, but certainly not limited to:

Medical and scientific papers and journal articles All texts required for the film, television, and
documentary industries All technical documentation All academic papers Websites and blogs – inducing
online catalogues, landing pages, and social media content Business plans and proposals Corporate
communications and press releases Business marketing and publicity documents Catalogues / Brochures
