

RETRO-STYLE-FALCON-SINGLE-SPEED-FIXIE-23-034-58cm-STEEL-FRAME-MANY-NE

Location **South West, Avon**
<https://www.freeadsz.co.uk/x-539723-z>

This bike has just been built and has many new parts (listed below). My partner called this one "The Vomit Velo" due to the rather loud colour scheme and perhaps I couldn't put it better myself!!

The bike utilises a 1970's Falcon steel frame and half chrome forks with metallic orange paint. It's built with a single speed freewheel and a fixed wheel cog on the other side of the wheel.

New parts included-

- Aero wheelset with large flange Quando hubs,
- Fixed and freewheel sprockets,
- Chainset,
- Chain,
- Brake calipers,
- Inner cables,
- Etc alloy seatpost,
- Handlebar tape,
- Vittoria Zaffiro tyres,
- Inner tubes.

Size is approx 23" / 58cm from centreline of bottom bracket to the top of the seat tube so should fit an

average size male rider.

Or check slightly smaller than as you will be looking at a 1970's bike but run on a modern frame as it's been reg.

You are most welcome and encouraged to come and take a look.
I can deliver with Bristol area if you cover my
