

Apollo Laser Teenagers Bike. 10 speed. 24 inch wheels (Suit 9 yrs to 13 years). (35 GB

Location West Midlands, West Midlands  
https://www.freeadsz.co.uk/x-539863-z

Apollo Laser Teenagers Bike. 10 speed. 24 inch wheels (Suit: 9 yrs to 13 years).

Suit Rider Height approx: 4 foot 10 inch to 5 foot 2 inch.  
Suit Rider Height approx: (148 cm to 158 cm)  
Suit Rider Age approx: 9 yrs to 13 yrs.

Condition:  
There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike.

There is a small rip in the seat, it's liveable for the price. But if a new seat is required, I buy them in bulk, they cost me £5, and I can replace seat for that amount.

Servicing:  
This bike has had all the gear and brake cables changed, along with new handle bar grips.

I have a workshop as in the pictures. My last pic on the advert shows what a bike shop would charge for just a service (without replacing any parts).

It's a simple service at a cost of £25.00, that's what I charge that I have solved, to make it available to customers who want to know where to get their bike
