

2 x PS3 Consoles (Spares or Repairs) (20 GBP)

Location **West Midlands, West Midlands**
<https://www.freeadsz.co.uk/x-540029-z>

When power button is pressed, one shows a red flashing light and the other console shows a green light. None of them load up into the menu. One of the consoles is backwards compatible, this is the that shows a green light. May be repairable or used for parts, both consoles contain their original hard drives (1 x 40GB and 1 x 60GB) and have not had parts taken out of.
