

Total Fibre Glass

Location

East Midlands, Nottinghamshire

<https://www.freeadsz.co.uk/x-540043-z>

Total Fibre Glass is a new business who specialise in flat roofing and fibre glass pond floors. The materials in which we use are to ensure that the areas we cover are watertight and withheld all weather throughout the year. Although this is a new business, me and the family have been working in the trade for many years. Along with our free quote service we also include a 10-year guarantee. We are an east midland based business.

Any more information please contact us click to contact or 07736835282 077368352...(click to reveal full phone)
