

Lap Steel Slide Guitar (15 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-540255-z>

Black lap guitar in fair condition - plus free stand and loads of items like slides and picks, also throw in any amp cables too.
Not bought new so it has a few small bits of damage from the previous owner (possibly from being stood directly on the floor).
Nice sound - tuned to D/DADGAG at the.
