Hello, I have a beautiful litter of 5 Siberian Huskies for sale who just turned 8 weeks, mom and dad are both pure breed and available for viewing along with the puppies. The litter consists of 5 boys who are a joy to be around. Our older dogs are wonderful family dogs and easy going around kids. They're wonderful with other animals as we got cats in our house. They are trained to do their business on the paper. They have their first vaccination as well as a micro-chip done. Worming and fleeing is done. We are looking for a lovely and caring people who are serious in owning a.
