Zontes Scorpion 125i, A latest generation, Euro 4 specification, sports styled Zontes motorcycle.. the Scorpion 125 is a stunner. Featuring electronic fuel injection by Japanese sector leaders Mikuni, coupled to an ultra-reliable Zontes motor with overhead camshaft and centrally mounted counterbalance shaft, which delivers smooth power with great torque. Though sporty in style the Scorpion is ideal for everyday commuting and a perfect learner bike with features such as a digital gear indicator display. Stunning sharp design lines and accents transit from the headlight, through the body panels, terminating at the compact LED rear lamp. Further LED lights are utilised in integrated front indicators and bright day time running lights. Your safety is enhanced further with a combined braking system that links front and rear disc brakes which deliver unparalleled stopping power. Colour Options available: Rosso Red & Vibrant Green. Displacement, 124cc, Fuel System, Electronic Fuel Injection, Rear Suspension, Twin Shock, Rear Tyre, 130/70-17 CST, Wheelbase, 1310mm, Drive, Chain, Seat Height, 795mm, Max Net Power Kw/Rpm, 8.0 KW at 9000 RPM, Cooling System, Air Cooled, Front Tyre, 90/90-17 CST, Length X Width X Height, 1977 x 766 x
