I am selling my practically brand new Kawasksi KLX 125cc motorbike.

I bought the bike in October 2016 new from Kawasaki in Colchester, but unfortunately I just do not have the time to ride it and its just gathering dust in my garage; as you can tell by the low mileage of only 112.1 km which I believe it 69 miles!

The bike still look and feels brand new - I have made no alterations to the bike apart from adding some hand guards which you can see if the first picture. I have also removed the tool kit from the bike but I still have this and it can be easily added back on.

Kawasaki are still making this model and you can find out more about it on their.
