Moooi Nut lounge chair and matching footstool in 'oil' patterned cushion. Both the chair and footstool are made from solid oak and are authentic Moooi products. These items have had minimal use and have been kept in fantastic condition, meaning that they are as good as those you would purchase directly from Moooi. They come from a pet and smoke free home and RRP at £1700 for both. I'm looking for offers in the region of £1000.
