

Dolls House (30 GBP)

Location **West Midlands, Warwickshire**

Reconditioned and redecorated Dolls House. I have spent a couple of months sorting this house from being fit for the bin to a good standard. It has furniture and now looks back to how it should look. The front has been put back on and it has a new front door, there is space in the Attic for maybe another room. It has four rooms and its open plan. I have made the mattress and the bedding the rest is up to you. Not a toy. Pick Up
