King size bed with a mattress and a huge storage space. A very comfortable and sturdy set, only selling because moving to a furnished apartment.

The bed has the following dimensions: 210 x 160 x 86 cm. The bed also features a gas lift which allows access to a huge underbed storage space.

The bed frame is almost in immaculate condition with hardly any signs of usage seen. There is a very small tear in the material on the back side of the headboard (was damaged by delivering company when bought brand new, but the damage is very small and is on the back side of the headboard so is not seen at all). The mattress has some signs of wear but otherwise in a very good condition. Comes from a pet-free and smoke-free home.

Collection only. The bed can be dismantled for the ease of transportation. Please give a call or text on 07445042980 074450429...(click to reveal full phone) .
