Genuine Hohner Professional B Headless Active Bass Left Handed, in pristine condition apart from 2 small marks where I had my thumb stop, reluctantly selling due to health, this is an amazing sounding bass, check out UB40 bassy, cost over £300 7 years ago. Never been gigged and minimum studio use only. The pre amp is fully functioning, the knobs are not scratchy. The action is factory set and not been modified at all and there are no dead spots or rattles in the neck. Virtually unused and stored in a gig bag. It looks and works almost as brand new, original receipt available too! Any questions or more pics just email me. Welcome to try. Cash on collection.
