Metro Rod Mid Lancs is a leading Drain Care and repair company we are based in Wigan and operate throughout the Mid Lancashire area.

Metro Rod Mid Lancs are fully equipped to deal with any sort of drainage problems from blocked toilets, sinks and drains for domestic and commercial customers to bigger works such as pre-planned maintenance.

Metro Rod Mid Lancs have extremely competitive prices and are proud of the technical service and customer care they provide. Metro Rod Mid Lancs is a family run franchise, Michael and Matthew Yates took over the Metro Rod Franchise back in 2009 when it was known as Bolton and Blackrod and along with their wives Jo and Michelle they have built up the firm to run a vast area which now covers the Mid Lancashire area, they are proud of the technical service they provide and the local reputation they have earned. Michael and Matthew Yates are determined to put customer satisfaction at the heart of their business.

Metro Rod Mid Lancs highly skilled engineers have many collective years of experience and are fully trained in the latest qualifications which include; high pressure water jetting from the WJA to confined spaces and health and safety, we also ensure that all our friendly and professional engineers are CRB checked to ensure total peace of mind for all our.
