

Window Cleaner

Location **North, Merseyside**
<https://www.freeadsz.co.uk/x-542078-z>

Eco window cleaning offer a range of services from one off deep cleaning off all plastics i.e. fascia soffets gutters and conservatories or regular fortnightly or monthly window cleaning service. The advantages of pole cleaning is your frames and sills get cleaned each time too. With our poles we can reach heights of 50ft so can easily reach 3rd floor windows also sky lights without the risk of damage to property. We also have invested in a Sky Vac system which has NO MESS! It sucks gutters clean using a powerful wet & dry vacuum system

No need for expensive scaffolding, ladders or high access equipment

A safe solution for cleaning high buildings such as hospitals, offices and domestic properties, for the latest regulations and health and safety requirements

On board camera for precision cleaning

Light and easy to use

Allows access to restricted areas such as roofing above conservatories

High reach internal vacuuming system for use in areas such as restaurants and retail shopping areas

For both domestic and commercial properties
