I'm a bass player looking to jam some songs with a female guitarist. I used to be in a girl band for many years but now I'd like to try my own thing. Think punk, lo-fi, indie and twee pop. Listening to The Lovely Eggs, All Girl Summer Fun Band, Sleater Kinney, Softies, Jilted John, Buzzcocks, Dolly Mixture, Ramones etc.

I'm in my 30s so if you are too that's a bonus!

I'm in East Sussex. Not far from Brighton, Eastbourne and Lewes.
