

Solid wood drop leaf Coffee Side Table - dark oak varnish finish 1980s (26 GBP)

Location

I have owned this folding side table from new when it was purchased back in the early 1980s. It is of good quality construction and will last for many years to come. Unfortunately we do not now have the room for it even when folded as my partner is moving in with her furniture and she has a coffee table that was made by her late father so would like to keep that one instead.

The top could do with a rub down and re-varnish or stain. I would be happy to do that to a high standard for you prior to collection for an additional £20 if that were something that you would like done.

Dimensions: 76cm Radius, 47cm Height, 32cm width when leafs lowered.

As is stands I would be looking for £26 ovno

Collection only or possibility of free local deliver to some areas, just ask.
