Rear split into 2 compartments and ventilated.Rear floors carpeted.New wheel trims.Tyres almost new.New quality fitted seat covers (seats are fine)

Great drive and feels as good as the 102 BHP van I have, I expected to find it under powered but I certainly doesn't. I can put you in touch with a VW tuning expert who can remap it to over 100BHP but I don't think it needs it.Very economical 55+ mpg.

Good reliable van with a few marks but nothing you wouldn't expect from a 7 year old vanThe only reason for not going all the way with this van is the lack of aircon and electric pack. Versitile van with the twin compartment rear, last owner was a dog groomer and no it does not smell of.
