

Claud Butler Classic Ladies Cycle (like new) (140 GBP)

Location **North, Lancashire**

Hardly used - like new.

Used by an elderly person for shopping but cannot ride it any more.

It says "Classic" as the model on the frame but online it looks like the Windermere or Cambridge model (RRP £300).

15 inch frame size with quite long seat extension. You can find technical details online searching. Looks like Shimano 21 speed.
