Seat Leon Cupra 1st reg 31/05/2007.
3 former keepers and MOT 13th Sept with no advisories last year. New MOT go on car.
Usual Cupra goodies:- Full electrics, Blue tooth, 6 speed manual.
Serviced at 8705m, 18867m, 28672m, 45617m, 54943m, 67746m (timing belt / pump also), 74880m and just had oil change service. The timing chain and tensioner has also been changed just after I bought it as a preventative measure as these can give trouble.
Car is in good condition for age and miles.
One wheel has light curb mark. Tyres all good.
One fog light is cracked but I have a spare you can have.
Climate has never worked since I owned and code say's its the pressure switch. its never bothered me.
Running on a helix stage 3 clutch.
New ABS pump fitted 2015.
New rear caliper / pads 2015.

Just had a drop link and front discs.

The car has wanted for nothing.

Always run on 98RON.
