

VIRGINIA CREEPER CLIMBING PLANTS (2.50 GBP)

Location

Wales, Mid Glamorgan

<https://www.freeadsz.co.uk/x-543097-z>

I have a number of virginia creeper climbing plants that I have grown on in one litre pots that are surplus to my requirements. They are available for sale in the one litre containers at £2.50 each, collection only.

Virginia creeper is Parthenosis quinquefolia and is a deciduous climber. The green glossy type leaves have five ovate leaflets and turn bright red and orange in autumn providing stunning colour.

I can send out 3 of the virginia creeper plants by first class post with the plants cut back and made bare rooted for £10 inclusive of postage and packing. This method will require the plants to be unpacked and planted up in containers or in the garden and watered in immediately on receipt. Payment can be accepted by PayPal.

I also have a range of other shrubs, perennials, alpines and herbs for sale. Please see my other adverts on this site.

From time to time I also have seasoned firewood logs for sale at £45 for a jumbo bag (approximately one cubic metre), collection only, please contact me to check.
