"The Royal Academy of Dance promotes knowledge, understanding and practice of dance internationally. We seek to accomplish our mission through promoting dance, educating and training students and teachers and providing examinations to reward achievement. 'RAD'"

The Royal Academy of Dance (RAD) dance examinations provide a number of ways for you to learn and appreciate dance. Whether you are an experienced dancer or a complete beginner, our RAD training and courses will help you to achieve your personal goal.

At G12 Studios we offer classical RAD ballet classes suitable for everyone from young children starting out in dance classes to students aspiring to become professional dancers. Ballet is the foundation of all other dance disciplines and is a great way to learn the basic techniques and skills that will allow you to be successful in any dance form.

The most graceful and fluid of all the dance.
