

Sponsored Charity Walk for Families For Autism (13 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-543200-z>

On Sunday the 13th of August, The Little Green Team from the National Citizen Service will be walking from Eastbourne Train Station to Eastbourne Seafront, where we will then travel between Holywell and Sovereign Centre to raise money and awareness for the local East Sussex-based charity Families For Autism. We hope that you can join us and/or donate to give us your support. Our aim to improve the understanding of Autism and to remove the stigma surrounding autistic people is only possible with support from our community.

Thank you,
 Charlotte Roberts Rajoo on behalf of The Little Green
