The use of Body Worn Video Recording Systems is prolific within the security industry and for the convenience of our Clients in this sector we have introduced the Hi Viz work wear range.

Our F1 PRO is inserted to our purpose designed pouch which is positioned in the garment in the optimum recording position: centrally on the guard's chest.

Compared to shoulder or breast pocket positioned cams our systems natural central position is perfect for targeted recording or for taking snap shots using the ergonomic designed remote control.

The Hi Viz jacket is 100% PU-coated polyester and conforms to GO/RT 3279 regulations and guidelines.
