Hyundai i10 Comfort. Previously sold by us in 2009 with 9000 miles on the clock. Now has 43000 with a fully stamped up service book. MOT till end October but fresh one can be negotiated. Just had full service, new down pipe and two new tyres during our preparation for sale. Nice clean cloth interior. Air con working. Body work in good condition with usual expected marks expected at age and miles. Nearly all old MOT's present and other invoices for garage work and tyres in past. Last two owners same family (Father and Daughter). Only come to us as the Father has had to give up driving and his newer car has gone to the daughter. Excellent car for new / young diver as low insurance group and low running costs. Guaranteed HPi clear. Only £30 a year road tax.
