For sale is our 06 VW TRENDLINE TRANSPORTER T5 in reflex silver, with only 86500 miles this is not an abused high mileage van like most that are for sale. It comes with: private plate worth £1000, air con, electric windows + mirrors, central locking with 2 keys, regularly serviced F.S.H, genuine cambelt, water pump + service by VW specialist only 2000 miles ago, reversing sensors, genuine sportline wheels, westfalia tow bar, BRAND NEW Fiamma F45s Awning - USED ONCE - ONLY FITTED IN JUNE, a great addition at a cost of over £700.

We bought the van in May '15 and have been gradually converting it .

The panels have been put on for now as our plan was to use it this year and have it carpet lined through the winter.

Change of circumstances forces sale.

This project is nearly finished, it is already a really comfortable space and is ready to use!!

double sofa bed (used twice), Avtec T.V/DVD combi, depending on price achieved.
