I am looking for a ground floor property with some private outdoor space (I am a keen gardener and pics show my current garden before and after) for myself and my little pooch Alfie (Alfie is close to 13 years old and I couldn't bear to be separated from him!)

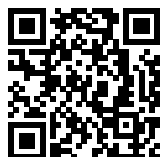

I work full time as well as teaching parents baby massage and yoga privately at a venue in Bretton. I am a clean and quiet person and I take pride in my home. (I have added photos of my current rented home that I have redecorated myself) I enjoy DIY, decorating, sewing, upcycling, crafting and of course gardening! I am looking for long term accommodation that I am able to make my home and love for the foreseeable future, condition and decor do not matter as I am happy to take this on myself.

I can afford up to £450 per month or more if bills are.
