Do you have a 4 or 5 bedroom house that you would like to rent out to professional tenants in return for guaranteed rent?

I am a relocation agent looking immediately for 4 and 5 bedroom properties in Langley, Slough and Burnham to house professional tenants on long term contracts (even up to 5 years).

All properties must be in good condition and near transport or commuter links (bus, train or motorway). Bedroom sizes must be able to fit double beds.

We guarantee your property will be well looked after. We provide our own cleaners and have a team that manages and maintains the property throughout the time we rent - it at no cost to you!

We have professional tenants waiting to move right now, so if you have a property you think would be suitable, please contact me immediately to discuss further.

The photo's above are from one of our latest properties, so you can see the standards we.
