Roxy the 5 year old staffy and Marley the 7 year old pure bred Patterdale. They will have to go together as they are brother and sister, even if different breeds. Both happy and healthy, very loving and very playful. We took them in for a friend but don't have the funds or ability to care for them properly like they deserve. Will answer any questions that you have to the best of my abilities and will provide all the documents that previous owner left with us. Price is there to make sure you're serious about caring for these amazing little guys. Sad to see them go but it's what's best for them.

They are still looking for someone who can give them what they need, please contact me as I want what's best for.
