Silver, 1 owner, One owner, service history and heated grips. This is a friendly and non-threatening adventure-style motorcycle. Riding the NC for any length of time reveals a bike that handles sweetly, brakes more than adequately, is comfortable, tackles back roads well and is easy to ride and super economical in terms of fuel use. Thereâ€™s a lot to like. There is plenty of room on board and the low seat height makes touching the floor very easy, which is ideal for less confident riders. The ABS is reassuring when the roadâ€™s surface is wet or badly damaged and the NCâ€™s handling is stable and comfortable and turns sweetly into corners. Itâ€™s wonâ€™t throw up any nasty surprises, making it perfect for newer riders. The North Westâ€™s finest family run motorcycle dealership, £8,500 p/x
