Contemporary Dance

Contemporary dance is a dance performance genre that developed during the mid twentieth century and has since grown to become one of the dominant genres for formally trained dancers throughout the world, with particularly strong popularity in the U.S. and Europe. Although originally informed by and borrowing from classical, modern, and jazz styles, it has since come to incorporate elements from many styles of dance. Due to its technical similarities, it is often perceived to be closely related to modern dance, ballet and other classical concert dance styles.

Our G12 Teacher is one of the top contemporary dancers in the UK and trained at Rambert School of Ballet & Contemporary Dance, her classes are exciting, demanding but excellent.
