 LDV Convey 400 LWB . High Top Campervan Project with Long MOT (June 2018)
 Bought with the intention of re-planning it and to carry on conversion, but just don't have the time to do it.

I have all the previous Mot certificates which confirm mileage is genuine
 Originally a school mini bus hence the Low Mileage.
 Engine is solid as a rock, and drives great.
 The seats/bed in the rear are fitted and will double up as a table,
 Toilet area has a Thetford Electric Flush cassette Toilet, which needs finishing off
 Overhead cupboards are fitted but need finishing.
 Included are some parts to fit and carry on with conversion, i.e. sink, hob and additional 2 ring Neff hob,
 12v roof lights, some electrics and fuse box, washroom sink unit
 Also included are a spare single seat for front passenger side (has original double front passenger seat fitted at present) and Calor Gas bottle
 The van is still a Minibus on V5 but once Hob and sink are fitted, send photos to DVLA for change of use to Campervan.
