We have four beautiful Lhaso apso puppies for sale to loving homes only. Two boys and two girls. They are lovely natured and love a cuddle And are great with kids and cats. They are 8 weeks old so they are ready to take home. We will be very sad to see them go. They have not had their vaccinations as they will need a few throughout there first year so it would be best to do at your local vet. We cannot stress enough that they will need to go to loving homes as we are not breeders. There mum is part of our family and dad is a friends beloved companion.

£100 deposit to secure your puppy then £700 upon collection. Any questions or for more pics feel free to text or call :07491571409 074915714...(click to reveal full phone)
