Staged Cambridge is about to embark on an exciting new project, the concept of which involves improvisation, audience participation, a lot of fun and a little bit of nostalgia, along with being totally unscripted.

At this time, I aim to hold 'auditions' to get an idea of how people deal with improv in a pressure scenario where they are being driven by an audience alone.

If you feel you have a talent for unscripted acting, and would like to get involved, please get in contact....

At this time, no venue or schedule has been arranged but I will communicate this info to all parties once I'm aware of the level of interest.

All welcome.
