

Child039s Ridgeback MX20 Terrain bicycle (80 GBP)

Location **North, Lancashire**
<https://www.freeadsz.co.uk/x-545114-z>

Selling my sons bike as he has outgrown it. it is in fantastic condition with only slight wear and tear marks on it. The bike has been fantastic for him to build confidence in using gears and also was great as the bike has suspension. It is a dark metallic blue colour. It has always been cleaned after use and kept in a garage so no rust or weather damage. These are still retailing at £250 from main bike dealers so grab a bargain
