Hi Barry, We have just returned home from our holiday & wanted to thank you for the use of your Villa. It is a fantastic resort & villa & we thoroughly enjoyed our stay. I would like to, book for next year around the same time if possible as I know you get booked up early.

Hi Barry, My family and I had a relaxing two week holiday at your townhouse. It is in the best location on the resort overlooking the largest pool which we used most days with the fold-up sunbeds provided. We enjoyed a few games of tennis as the courts were beside the pool. The supermarket on site had everything we needed and was quite reasonably priced. We hired a car which we would definitely recommend and it was good to park it right outside the front door. As a family of four, it was great to have the use of all the facilities in the house and WiFi. Thanks for letting us rent your house and answering all our queries.

Good morning Barry,

Many thanks, we have had a lovely holiday at your house.

I like to also ask if there still is availability for next summer as we would love to return to your house?

Warm regards,
