Keep the memories alive !

As a dedicated and experienced professional pet photographer based in Cheshire, I love telling your pet's story though creative, unique and sophisticated photography. My creative sessions are relaxed and fun to allow your pet's unique look and personality to shine!

I accept a limited number of commissions each month to ensure I can devote my time and energy to your session, editing/retouching work and creating your artwork. I shoot with natural light, leaving you not just with beautiful images of your pet, but real art suitable to proudly display on your walls.

I am a full service photography offering high quality products. With collections and "A la Carte" items to choose from during your ordering session.

Please visit my website to see my portfolio : [www.joanne-photography.co.uk](http://www.joanne-photography.co.uk) and contact me to book your session.

What does it include?

Complementation Pre shoot consultation (at my studio)

2 hours creative photo session

Multiple outfit changes

Post processing and professionally editing

Private ordering session with a large selection of images to choose at my studio.

Choice of Fine Art products and digital products to purchase

\*Mileage may be charged at 40p per mile for areas 40 miles outside postcode SK1.
