Had the timing belt & water pump, Brake disks and pads replaced.

This is a beautifully black Audi 4 convertible we have had the car for nearly 4 years and it has been very well looked after. We have only done around 10,000 miles. The general condition of the car is very good there are some scuffs on one side at the back bumper.

With a 2.0 litre Turbo (petrol engine) giving 200bhp power. The Power Hood is full working order and has a new full 12 months M.O.T .
