When I bought it there were 5 or 6 scratches in different places and to save having a patchwork quilt effect I had it resprayed at a cost of £1500. Pre spray pictures available.

I have retired and doing these vans is a hobby. I search the country for the best at the right price and then make them better. If I was doing it for a living I'd go bust as I never make more than a few quid on them but it's better than daytime TV.

These days unfortunatly you have to register them when you buy them or become a trader. So I am the 3rd owner. I have been working on it it since Febuary and it is absolutely stunning a real head turner. I
