

Kidney Health

Location **Yorkshire and the Humber, South Yorkshire**
<https://www.freeadsz.co.uk/x-546082-z>

We at MyGen Labs try to identify unmet medical needs that we can address by innovative formulations of pharmaceuticals, nutraceuticals, and medical foods. Our formulations are of highest quality and designed to be state-of-the-art, incorporating the recent medical advances in consultation with medical experts in their respective field. Our major focus currently is kidney, cardiovascular and bone.
