It has 7 gas rings, an electric fan oven, and a conventional oven, a grill and a pan drawer. It all works but needs a good clean. It's silver in colour, but the paint work is peeling off and a bit rusty. Measurements are 110 cm width X 90 cm height X 60 cm depth. I also have the instructions and a brand new glass top that was never fitted. It has been removed and is outside ready, so you will need a van to collect.
