I'm an experienced housekeeper with keen attention to detail. I am honest, well-organised, hardworking and reliable. I enjoy cleaning and making any home/space look tidy, especially for those who work hard and find it difficult to find the time to do the dusting, mopping, laundry, dishes etc.....

I offer estimates for one time cleaning jobs/spring cleaning. I also offer weekly, fortnightly and monthly cleaning rates.

Covering all areas within London.

I can be reached on 07760878840 077608788...(click to reveal full phone)
